April 14, 2022 – What a wonderful Savior is Jesus our Lord! We’ve been enjoying some sweet fellowship with the believers here as we reflect upon the death, burial, and resurrection of Jesus Christ. Let me update you on some answers to prayer from the last month of ministry.

Summer Rain: Just when the sky was filling up with smoke from burning fields, the Lord sent some unexpected rain and cool winds to clear the air and bring a two-week break from the intense summer heat. That was a real blessing and I thank you for your prayers! We’re back into the full heat (and some smoke) of summer now and are grateful for AC and air purifiers.

Thai New Year: The Easter season in Thailand is dominated by the Songkran holiday. Schools are on break and businesses close down for days as families travel to visit their relatives. There are nightly parties all around us, filled with loud music and alcohol. It is also a very dangerous time for travel, with hundreds of fatalities in these “seven deadly days.” This is another sad reminder of the lost condition of the Buddhist community in which we live.

Anai and Bahn Ye: On the bright side, Bro. Luke and I are very encouraged with Anai’s teachable spirit and hunger for the Word of God. The New Believer Bible studies are going well, as we move toward baptism in few weeks. The Lord is definitely at work in the heart of his wife, Bahn Ye. She has a good understanding of the Gospel now and has a growing desire to become a Christian. Please continue to pray for her to come to repentance and faith in Christ. This couple comes from the Mandalay region of Myanmar and Anai is a co-worker of Bro. Luke.

Teaching and Outreach: April is a slower time for our English teaching with many students away on break. However, I have on-going opportunities to teach at Grace Foundation and continued discipleship with Bro. Heaven. We are asking the Lord to lead us to more families that would be open to hearing the Gospel. The Bible study with Pui and Kong is going well and I pray that we can connect with some of their friends soon.

Enn Village Update: The Lord has raised up an Enn Pastor to help with the start of a church in the village that I mentioned last month. His name is Sanlong and he has been laboring among the Enn people near Keng Tung, Myanmar. This is a great answer to prayer as Bro. Mung has to communicate with these villagers through an interpreter in the Shan language. Pastor Sanglong and his brother James are working together to establish a church in this new village. Please pray for the Lord to guide and strengthen these men and that these believers would be a good example and witness to the rest of their people. The Enn people are one of the oldest and least-reached people groups in all of Myanmar.

Family blessings: We praise God for overall good health for each member of our family. I’ve been struggling with back pain again, and am thankful to find some relief through deep-tissue massage. Rachel’s eyes are focusing better with her new glasses, and Luke continues to grow quickly, delighting us with his smiles and abundant hair.

Thank you for your faithful intercession and support of our family and ministry! We are honored to partner with you for souls here in Thailand and Myanmar.

Rejoicing in Christ Jesus,
Nat, Anne, Paul, Ellie, Rachel, and Luke Williams
