Greetings in Christ Jesus,

For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ.

What an unspeakable privilege to be bearers of that Light! We rejoice in the calling and opportunity to spread the light of the Gospel with so many people in the ever so dark part of the world.

The last few weeks of 2022 has been filled with many opportunities to share the Gospel with new people. We have had dozens of new visitors in all of our meetings, as well as a few new personal contacts who have shown a willingness to listen to the Gospel. We know that some people come for “the meat that perisheth”, but our prayer is that God will touch their hearts and they will see their true needs. Pray for a number of those who have been touched by the Gospel as God works on their heart: Najah, Hiyam, Ali, Jozeph, and Ahmed.

Discipleship continues with Kutna, Samira, Rasha, and Nawal, and they continue to grow and rejoice in every lesson and every new step they take with the Lord. It has been especially encouraging to see them all bringing some of their family members with them to church. Pray specifically for Mustafa and Rasha’s oldest son, Ahmed (17) who has come a number of times and heard the Gospel. Also for Kutna’s eldest daughter (22) who has come and showed a real openness to listening to the Word of God. We pray with all our heart that God would save these who families.

The Lord willing I will be starting some in depth Bible studies and ministry training with brother Adham and brother Mustafa in January. I am still looking for some good material in Arabic that I can use as a basic guide for them. Both of them have shown interest in knowing the Bible in more depth of understanding. Pray for brother Adham, as it is clear that God has calling for his life, and he has even expressed the burden to be teaching and preaching God’s Word.

Continue to pray for the young men that I work with. We are trying to expand some of the work with youth to include others in the community. There is a great dearth of opportunities for young people in the part of the world, and they spend their lives lost in every sense of the word. We are praying that God would change this generation for His name.

Pray for us as we labor here. There are challenges to just getting by in a country where nothing works. On top of it I managed to tear my rotator cuff and also torn my knee up, so mobility is a bit painful, but not limited. Pray for our boys, that God would touch their small hearts and bring them to Himself.

For souls who have never heard,

Noah. Souraya. Justin. Trajan. and Odin
